

Directions for use

UNDER MAKE-UP BASE

Under Make-up Base

Grimas Under Make-up Base is an unperfumed and non-greasy cream, with a caring effect. It is mainly applied underneath make-up in case of dry or sensitive skin, but can also be used as a regular day cream.

Procedure

Take the Under Make-up out of the jar with a plastic spatula and apply the emulsion evenly onto a clean skin. Allow 10 minutes for it to be absorbed before you continue. Close the jar properly after use.

Safety information

UNDER MAKE-UP BASE

Under Make-up Base

75 ml

Packaging:	Colour: white (jar) Content: 75 ml
Appearance:	White cream.
Ingredients:	See label and composition.

Composition

UNDER MAKE-UP BASE Under Make-up Base

INCI	<%
Aqua	80
Glycerin, Paraffinum liquidum	10
Ethylhexyl isononanoate, Stearoxy dimethicone	5
Glyceryl stearate, Peg-20 glyceryl stearate	5
Stearic acid, Palmitic acid	5
Methylparaben	0.2
2-Bromo-2-nitropropane-1,3-diol	0.05

The ingredients that are present in the product in the greatest proportions are listed first.

Ingredients that are present in the product to less than 1%, are listed in random order at the end of the list. Then the pigments and colorants are addressed, even if they are used in large quantities.

< is less than.

Dermatological declaration

UNDER MAKE-UP BASE Under Make-up Base

In the dermatological declaration one can read the following:
The products have been dermatologically tested for 24, 48 and 72 hours on 30 persons with healthy skin. No irritation occurred.

CONCLUSIONS

Under the conditions of this test we found no evidence of primary irritation or allergic hypersensitivity.

None of the thirty patch-tests resulted in positive reactions after 24, 48 and 72 hours.

The investigating specialist for dermatology and allergology considers this test-product safe for use.
