

Directions for use

STOPPELPASTA Stubble Paste

Grimas Stoppelpasta is a sticky paste, with which pieces of Wool Crepe can be attached to the skin. It can be applied on top of all types of make-up.

Procedure

To create a Wool Crepe stubble beard, you apply the Stoppelpaste over the beard shadow area and then work with the fingers so the stubble paste is evenly spread.

Removal

You can remove the Stoppelpaste with Grimas Cleansing Cream, Multi Remover Pure or Afschmink. Cleanse the skin afterwards with Grimas Cleansing Lotion.

Safety information

STOPPELPASTA Stubble Paste

2.5 ml

23 ml stick

4 x 2,5 ml

Packaging:	Colour: Transparent Content: 2.5 ml, 23 ml stick Palettes: 4 x 2,5 ml
Appearance:	Uncoloured wax.
Ingredients:	See label and composition.
Toxicology:	Assessed against the Cosmetics Regulation (1223/2009/EC).

Glyceryl oleate, Glyceryl stearate	0.1

The ingredients that are present in the product in the greatest proportions are listed first.

Ingredients that are present in the product to less than 1%, are listed in random order at the end of the list. Then the pigments and colorants are addressed, even if they are used in large quantities.

< is less than.

Dermatological declaration

STOPPELPASTA Stubble Paste

In the dermatological declaration one can read the following:
The products have been dermatologically tested for 24, 48 and 72 hours on 30 persons with healthy skin. No irritation occurred.

CONCLUSIONS

Under the conditions of this test we found no evidence of primary irritation or allergic hypersensitivity.

None of the thirty patch-tests resulted in positive reactions after 24, 48 and 72 hours.

The investigating specialist for dermatology and allergology considers this test-product safe for use.

Dr.med.Werner Voß
