

## Directions for use

### EYESHADOW/ROUGE PEARL

#### Eyeshadow/Rouge Glossy

Grimas Eyeshadow/Rouge Pearl is a glossy, compressed powder for use as eyeshadow or rouge. Also suitable for creating a glossy effect on the lips. The colours can be mixed together.

#### Procedure

Eyeshadow/Rouge has more uses than purely as eye shadow and blusher. In combination with Grimas Cleansing Lotion Eyeshadow/Rouge makes a perfect eyeliner when used.

Pearl Eyeshadow can be applied on top of the lipstick, fixing and giving a gloss effect at the same time.

Eyeshadow/Rouge and Pearl Eyeshadow are very colour-intensive. The intensity can be reduced if so desired with a lighter shade of Eyeshadow/Rouge or with a little Grimas Fixing Powder or Transparent Powder.

Take the required colour of Eyeshadow/Rouge out with a brush or applicator. Spread the eye shadow out on the back of your hand and then work from the hand to get the right amount.

#### Removal

Remove Eyeshadow/Rouge and Pearl Eyeshadow with Grimas Cleansing Milk or Make-up Remover.

Cleanse the skin afterwards with Grimas Cleansing Lotion.

## Safety information

### EYESHADOW/ROUGE PEARL

#### Eyeshadow/Rouge Glossy

2.5 g

4 x 2,5 g

6 x 2,5 g

12 x 2,5 g

<b>Packaging:</b>	Colour: Transparent Content: 2.5 g Palettes: 4 x 2,5 g, 6 x 2,5 g, 12 x 2,5 g
<b>Appearance:</b>	Pressed powder in glossy colours.
<b>Ingredients:</b>	See label and composition.
<b>Toxicology:</b>	Assessed against the Cosmetics Regulation (1223/2009/EC).
<b>Improper use:</b>	Assessed according to the standard of consuming regularly the content of the largest package size (2.5 g). No toxicological effect.
<b>Bacteriology:</b>	Contains less than 50 CFUs/g of bacteria, yeasts and moulds. Pathogens: not present. Work hygienically: with clean hands and clean materials.
<b>Dermatology:</b>	See dermatological declaration.
<b>Use on children:</b>	Can be used for children.
<b>Around the eyes:</b>	May be used near the eyes.
<b>On the mucous membranes:</b>	May be used on the mucous membranes.
<b>Make-up in the eyes:</b>	Rinse with water.
<b>Durability:</b>	See label with symbols:  = period-after-opening  = date of minimum durability
<b>Storage:</b>	Store in a dry, dark place.

## Composition

### EYESHADOW/ROUGE PEARL Eyeshadow/Rouge Glossy

INCI	<%
Mica	50

The ingredients that are present in the product in the greatest proportions are listed first.

Ingredients that are present in the product to less than 1%, are listed in random order at the end of the list. Then the pigments and colorants are addressed, even if they are used in large quantities.

< is less than.

## Dermatological declaration

### EYESHADOW/ROUGE PEARL Eyeshadow/Rouge Glossy

In the dermatological declaration one can read the following:  
The products have been dermatologically tested for 24, 48 and 72 hours on 30 persons with healthy skin. No irritation occurred.

#### CONCLUSIONS

Under the conditions of this test we found no evidence of primary irritation or allergic hypersensitivity.

None of the thirty patch-tests resulted in positive reactions after 24, 48 and 72 hours.

The investigating specialist for dermatology and allergology considers this test-product safe for use.
