

Directions for use

LIPSTICK PEARL PURE Lipstick Glossy Pure

Grimas Lipstick Pearl Pure is an unperfumed, glossy lipstick with no chemical preservatives.

Pure means that the product in question does not contain any chemical preservatives (such as parabens) or halogenated organic compounds. The 'pure' products, like all Grimas products, are also gluten-free and unperfumed.

Procedure

To emphasise the contours or to change them, you draw lines with a lip pencil, working from the outside inwards. If the lips are dry, first apply a thin layer of Grimas Lipstick Base Pure.

To prevent Lipstick (Pure) from running into any creases around the mouth, you can apply a thin layer of Grimas Camouflage Make-up Pure to the lips beforehand.

Take the Lipstick (Pure) onto a spatula (even if you are working from a stick) and apply it with a lip brush. First colour the middle of the lips and then colour the edges, working from the outside inwards. Dab the result with a tissue to matt it off. For a glossy effect, do not powder off.

Removal

You remove the Lipstick with Grimas Cleansing Cream or Cleansing Milk.

Safety information

LIPSTICK PEARL PURE Lipstick Glossy Pure

2.5 ml

3.5 g

4 x 2,5 ml

6 x 2,5 ml

12 x 2.5 ml

Packaging:	Colour: Transparent Content: 2.5 ml, 3.5 g Palettes: 4 x 2,5 ml, 6 x 2,5 ml, 12 x 2.5 ml
Appearance:	Waxy product in glossy colours.
Ingredients:	See label and composition.
Toxicology:	Assessed against the Cosmetics Regulation (1223/2009/EC).
Improper use:	Assessed according to the standard of consuming regularly the content of the largest package size (3.5 g). No toxicological effect.

Glyceryl oleate, Glyceryl stearate	0.1
Aroma	0.05
CI 77491, CI 77499, CI 77891	40
CI 15850	10
CI 16035	5
CI 42090	5
CI 45410	5
CI 73360	5
CI 75470	1

The ingredients that are present in the product in the greatest proportions are listed first.

Ingredients that are present in the product to less than 1%, are listed in random order at the end of the list. Then the pigments and colorants are addressed, even if they are used in large quantities.

< is less than.

Dermatological declaration

LIPSTICK PEARL PURE Lipstick Glossy Pure

In the dermatological declaration one can read the following:
The products have been dermatologically tested for 24, 48 and 72 hours on 30 persons with healthy skin. No irritation occurred.

CONCLUSION

No evidence of any skin disorder was detected in the test area of any of the 30 panellists after conducting patch testing for 24 h, 48 h and 72 hours according to the internationally recognised guidelines of ICDRG (International Contact Dermatitis Research Group).

It can be concluded that the use of the product will not cause any unwanted skin reactions due to an irritating effect.
