

Directions for use

COLOUR POWDER PEARL Colour Powder Glossy

Grimas Colour Powder Pearl is a loose, slightly shiny powder, available in silver and gold. Colour Powder Pearl can be applied directly to the skin or as a glossy finish on top of another type of make-up, such as Grimas Water Make-up or Crème Make-up.

Procedure

Apply Colour Powder Pearl with a Grimas (Velour) Powder Puff or a Powder Rouge Brush. Gently tap the puff or brush on the back of the hand and then apply lightly onto the skin. Allow to settle in and remove excess powder with a Powder Rouge Brush. The make-up result is transparent.

Safety information

COLOUR POWDER PEARL Colour Powder Glossy

10 ml

40 g

Packaging:	Colour: black + transparent Content: 10 ml, 40 g
Appearance:	Coloured loose powder.
Ingredients:	See label and composition.

Composition

COLOUR POWDER PEARL Colour Powder Glossy

INCI	<%
Mica	60
Talc, Magnesium stearate	40
Phenoxyethanol	0.45
Methylparaben	0.05
CI 77891	30
CI 77491	10

The ingredients that are present in the product in the greatest proportions are listed first.

Ingredients that are present in the product to less than 1%, are listed in random order at the end of the list. Then the pigments and colorants are addressed, even if they are used in large quantities.

< is less than.

Dermatological declaration

COLOUR POWDER PEARL Colour Powder Glossy

In the dermatological declaration one can read the following:
The products have been dermatologically tested for 24, 48 and 72 hours on 30 persons with healthy skin. No irritation occurred.

CONCLUSIONS

Under the conditions of this test we found no evidence of primary irritation or allergic hypersensitivity.

None of the thirty patch-tests resulted in positive reactions after 24, 48 and 72 hours.

The investigating specialist for dermatology and allergology considers this test-product safe for use.
