

Directions for use

BRONZING POWDER

Bronzing Powder

Grimas Bronzing Powder is a velvety soft powder bronzer with a natural effect, for a summer glow all year round.

The make-up adapts flawlessly to the skin and is suitable for almost all kind of skin types and colours.

- Sun-kissed look without mask effect
- Transparent coverage
- Matte finish
- Long-lasting formula
- Easy to blend
- Free from talc, microplastics, perfume and parabens
- Vegan

Procedure

Apply Bronzing Powder to the skin with a Grimas Blush Brush: move the powder brush in a circular motion over the make-up and then apply it lightly to the face.

Removal

Remove Bronzing Powder with Grimas Cleansing Milk or Make-up Remover. Cleanse the skin afterwards with Grimas Cleansing Lotion. Do not use ready-to-use cleansing cloths.
